

SOFT FLASK 150ml/5oz L35980200 None

None

Shrink while you drink soft flask. 150ml

The SOFT FLASK 150ml/5oz is flexible and compresses as you drink to eliminate water bouncing inside. Reduces sucking effort. The valve won't leak until you bite it.

Compression

Eliminate the annoying sloshing of water in your bottle. This soft flask compresses as you drink, letting you know how much you have left.

Lightweight

Minimal construction and shrink while you drink means it gets lighter as you run!

Easy drinking

Super fast and accessible, a light squeeze gives ample hydration, without leaking.
