

EXO PRO SLEEVES

L37941600

Unisex

1, 2, 3, 4

32 g / 3

50 Euros

With slight compression in the fabric, and silicone grippers at the top to keep them in place, EXO Pro Sleeves are a packable, comfortable source of warmth for early mornings or running in varying conditions.

Light muscle support

Compression and a snug fit to keep blood flowing and muscles feeling good on longer workouts.

Packability

EXO Pro Sleeves pack into a pocket or small space in a pack.

Convenience

Easy on, easy off, even while running.
