sensiFIT

The all-surface version of the iconic Speedcross.

SPEEDCROSS VARIO 2 is the trail monster that's not afraid to be tamed once in a while. Based on the iconic Speedcross the Vario uses a slightly less aggressive tread with siping, and traditional laces for precise grip and comfort on soft or hard surfaces.

All surface grip

Contagrip with slightly wider, shallower lugs and siping provides confidence on every surface, including wet concrete or rocks.
