

X ALP 23 L39779600 Black

Black

Alpine inspired pack for fast adventures in the high mountains.

Moving fast and light is an attitude, a personal choice. The X ALP 23 pack keeps safety in the equation, and is designed to satisfy the most demanding mountaineers in the most extreme situations. Rethinking every detail is a game in itself. Freedom is the ultimate prize.

Quickaccess

Zipped back panel lets you access gear while wearing the pack. A bottom Extrem Box fits crampons or rope. Helmet, skis, poles, ice-axe attach externally.

Stability

The ergoflow design keeps the pack close to your body. The belt wraps around you and maintains ventilation. The overall effect is a pack that follows your every move.

Light and robust

Tough fabrics and minimalist design are the ground rules for playing fast and light in the mountains.
