

X ULTRA 3 GTX® W L39868500 Magnet/Black/Mineral Red

Magnet/Black/Mineral Red

This hiking shoe is easy on the way up, even better on the way down.

Specially designed to accommodate women, the best selling X ULTRA 3 GTX® W has evolved into an even more effective hiking shoe. Thanks to Descent Control technology, this shoe efficiently tackles technical hikes and really shines during tough descents. Wear this pair and head downhill with a spring in your step, even in wet conditions.

Foothold

A refined, women's specific last works with the reinforced top arm of the sensifit, holding your foot comfortably in place, especially moving downhill.

Stability and cushioning

An asymmetrical chassis designed to accommodate a woman's anatomy maximizes stability and cushioning while minimizing fatigue on rugged terrain.

Grip

Two different types of rubber result in better grip. A patterned area on the heel grabs terrain more aggressively, giving you more control especially on descents.

- Breathability : 3/6
- Lightness : 4/6
- Protection : 5/6
- Stability : 6/6
- Drop (in mm) : 11
- Midsole heel height (mm) : 19
- Midsole toe height (mm) : 8
- Weight (g) : 330
