

COMET TECH LEG W L40065300 Black

Black

An all-around tight for all kinds of activities and daily life.

The COMET TECH LEGGING for women is a tight without boundaries. Wear it for running, hiking, skiing, yoga or climbing. It's made from comfortable stretch fabric, and zipper free, so you can stretch out on the floor and tuck the hems inside boots. Great for sport or paired with a sweater, you'll want to wear it all the time.

Active comfort

AdvancedSkin ActiveDry technology performs and also easily translates into everyday wear.

Versatility

A wider adjustable waistband provides non-binding comfort.

Quick drying

Light, stretch knit fabric dries quickly.
