

X ALP 30

L40119100 Fiery Red/Barbados Cherry

Fiery Red/Barbados Cherry

An alpine pack for fast adventures in the high mountains.

The X ALP 30 pack takes its cues from top mountaineers: "Make it robust and super easy to use in every situation." Because in tough conditions, confidence and ease equate with safety.

Light and robust

Made with light but durable ripstop fabric, and featuring a protective crampon box for access and to guard other gear.

Quickaccess

Zipped back panel lets you access gear while wearing the pack. A bottom Extrem Box fits crampons or rope. Helmet, skis, poles, ice-axe attach externally.

Stability

The ergoflow design keeps the pack close to your body. The belt wraps around you and maintains ventilation. The overall effect is a pack that follows your every move.
