Play with a legend

There's no bad weather when you've got the right gear. The XA PRO 3D GTX® is the ultimate adventure shoe that connects you with every type of terrain and couldn't care less about the conditions.

Stability

The 3D Advanced Chassis delivers a consistent ride in even the most rugged terrain. It's all about confidence.

Grip

Full premium wet traction grip is more than a technology, it's a mentality: you can simply ignore wet ground and charge ahead.

Long-lasting Protection

Made with GORE-TEX®, a reinforced toe cap and smartly placed protection, this is a shoe on a mission: to keep your feet in perfect shape.
