## sensiFIT

### A shoe for kids who push the limit of adventure.

The SPEEDCROSS shoe is built with extra grip for young feet that are ready to move fast and follow you on any terrain. It's time you let them remind you what playing is all about!

#### Precise fit

The Sensifit system ensures a precise, comfortable fit and ground feel. Young feet deserve to be hugged!

#### Grip

It takes Contagrip® technology to keep a hold on the wild paths young runners choose to go down. They're all set for fast fun and no slipping.

#### Practical comfort

Easy to slip on and off: the quicklace system is child's play. The molded and injected EVA midsole provides comfort and cushioning for young feet.
