Wht/Illusion Blue/Stormy Weather

An everyday road-running shoe with a responsive ride.

Enter the running avenue and build fitness day after day. SONIC RA 2 W balances cushioning and responsiveness to deliver a comfortable, stable ride that will keep you going mile after mile.

Vibration Dampening

The unique Vibe Technology midsole construction uses EnergyCell+ and Opal to attenuate fatigue-causing vibrations for a cushioned yet responsive ride.

Seamless Transition

The Sonic RA 2's Geometric Decoupling axis is oriented to deliver a balanced, effortless forward transition from contact to propulsion.

Conformable Fit

All new engineered mesh and the road-specific Sensifit upper conforms to the contours of your foot and gently secures it in place, giving you a virtually customized fit.
