

OUTbound GTX L40791700 Black/Black/Gum1a

Black/Black/Gum1a

A lightweight, sleek outdoor shoe for all your activities.

Blending modern style and discrete performance details, the OUTbound GTX moves easily from daily life to any outdoor activity. This lightweight shoe is protective and grippy, offering the right blend of protection, comfort and style. And a full waterproof Gore-Tex membrane keeps your feet dry when walking in snow, rain, or sleet.

Lightweight

One of the lightest shoes in the category, you'll feel like you can fly.

Protection

A durable toe cap protects your feet from rocks and other objects on the trail or in the city, and a waterproof Gore-Tex membrane keeps rain and snow out.

Grip

Contagrip® outsole features a versatile lug pattern that is ready for any surface, wet or dry.
