Shadow/Urban Chic/Coral Almond

Ortholite®

## Sneaker-like comfort, your go-to hiking shoe for everyday adventures.

Some adventures are equal parts connecting with friends, having fun outside, and discovering new places. The sleek OUTline GTX Women's is ideally suited to such adventures, with lightweight and flexibility like a running shoe, but enough grip and protection for any trail.

### Slim, athletic style

Built with a running last and integrated features, this sleek but technical shoe looks as light and agile as it feels.

### Sneaker-like comfort

Lightweight (330g) and engineered with great flexibility and foothold, OUTline is as comfortable as a running shoe.

### Outdoor readiness

5mm deep lugs on the outsole, protective toe cap and a full GORE-TEX membrane offer all the outdoor adventure protection you need.
