

ALPHACROSS GTX L40805100 Black/Ebony/Black

Black/Ebony/Black

An outdoor inspired running shoe for everyday training.

Outdoor inspiration for everyday training. Whether your training is a few laps around your local park or something much more rugged, ALPHACROSS GTX is a great training partner for you. It has aggressive traction and protection, but it's light and comfortable enough for everyday running, anywhere. GORE-TEX for year-round comfort.

Aggressive Grip

Contagrip® outsole features a versatile lug pattern that is ready for any surface, wet or dry.

Comfort

Instant comfort from the first time you put it on. The mesh upper and proven Salomon fit deliver.

Weather protection

A full GORE-TEX membrane ensures year-round climate comfort to keep feet dry and moving forward.
