

XA SHORT W LC1025200 Hibiscus

Hibiscus

NEW

AdvancedSkin ActiveDry

A light trail short with carrying system for intense endurance running.

The women's XA SHORT lets you carry essentials on the trail without a pack. Its waistbelt is a stretch mesh with integrated pockets that hold essentials and soft flasks securely and comfortably. You can run dynamically, with full access to your goods. The 2 in 1 design has a lightweight brief mated to a fast-drying outer short.

Secure carrying system

The stretch mesh waistbelt has integrated pockets that also stretch around whatever you carry, comfortably and securely.

Lightweight

Both the inner short and the outer short are superlight materials, providing ample coverage for a variety of sports, without ever weighing you down.

Quick drying

All the materials in this short are very fast drying. The stretch woven waistbelt won't hold water at all.
