

ADV SKIN 8 SET W

LCI048600 Poseidon/Night Sky

Poseidon/Night Sky

NEW

The most precise fitting running pack specifically designed for women.

The first truly specific design for women, ADVANCED SKIN 8 SET W has a unique shape that eliminates pressure on the breasts when it is synched down. And the integrated soft flasks also have a unique shape, ensuring complete comfort and balancing your gear evenly while you run. It's the ultimate hydration solution for women who demand the best.

Hydration

The front of the vest has a unique shape, and places the specific soft flasks below the breasts to eliminate pressure. More comfortable so women can drink easily and often.

Freedom of movement

The specific MotionFit designed for women uses a 2 way stretch chest construction, reducing pressure on the breasts for maximum comfort.

Easy to use

The components of this pack are easy to use, and offer different ways to adjust the fit and carry poles and accessories.
