

TRAILBLAZER 10 LC1085200 Citronell/Alloy

Citronell/Alloy

10L

A simple, comfortable, lightweight pack for all outdoor activities.

Simple in design but very light and comfortable, the TRAILBLAZER 10 is a great solution for short hikes and rides, or just getting around town.

Versatility

Clean lines, quality fabrics and trim, and a great fit make this pack supremely versatile.

Easy to use

10 liter main volume, along with stretch side pockets put your gear conveniently within reach for a short hike or a commute in the city.

Comfort and lightweight

A padded back system, belt and shoulder strap compose a very comfortable harness that adapts precisely to your body.
