MOTIONFIT

### A lightweight, fully featured pack for multi-day outdoor activities.

The lightweight OUT WEEK 38+6 is engineered for maximum comfort on fast-paced adventures up to a week long. Its clean, modern look is complimented by a harness system that lets the pack move with you, and plenty of gear attachments put your poles, iceaxes or other accessories within easy reach. The removable lid adds 5L of capacity.

#### Hydration

This pack makes it easy to stay hydrated, with soft flask and bladder compatibility so you can choose your preferred hydration system.

#### Freedom of movement

A pack so comfortable, you'll forget you're wearing it. The MotionFit harness system offers a snug, stable fit that moves with you and ventilates.
