A warm and versatile top that layers easily.

Sleek-looking and suitable for all seasons, the DISCOVERY FZ top for men can be worn under a ski jacket or over a technical tee, making it the ultimate layering piece. For those that seek fun and adventure year round, this is a must-have top, suitable for a wide range of activities.

Warmth

Elastic hem and cuffs prevent warm air from escaping, keeping it close to your body where it belongs.

Stretch mobility

Four-way stretch fabric means you'll have the movement you need to reach for your pole-plant or lift your hands for a hold.

Versatility

You'll be hard-pressed to find a more multi-purpose midlayer. This piece can be worn year round and under a jacket or alone, depending on the season and activity level.
